We are writing to You to ask You if You can help us with information about a friend of ours. Her name is Gladys Rios de Mancuello, and she is an argentine citizen. She was detained together with her husband, Carlos José Mancuello, in Asuncion, Paraguay, on November 25.th 1974.

They Were brought to the police, to the investigation department; "Investigaciones". On the 10.th of August 1975, their son Carlos Marcelo, was born in jail. After this, Mrs. Mancuello together with her son, were transferred to the new prison camp Emboscada, 40 km north-east of Asuncion.

In December 1977 we were told that Gladys Rios de Mancuello had participated in a hunger-strike. As a consequence of this, she was deported to Argentina. We have since then recieved vague information about her, being arrested in Argentina.

We are very concerned about what might have happened to Gladys Rios de Mancuello, and therefore kindly ask You to help us to obtain more information about her.

We hope to hear from You soon, and thank You in advance.

Yours sincerely
